### SOURCE OF ACTIVITY:

On Monday, May 12<sup>th</sup>, 2014, my partner (Officer Cox, A. #133) and I (Officer Trujillo #136) were working as contracted, uniformed security officers for the Hollywood Business Improvement District (H.B.I.D.) / Andrews International 6801 Hollywood Boulevard Hollywood, CA. 90028 (323) 465-0122. We were assigned to the Bicycle Patrol team as Boy-2.

### INVESTIGATION:

While conducting a business check at the Hollywood and Highland Center (6801 Hollywood Boulevard L.A., Ca. 90028), we observed a Male, Hispanic, Adult (later identified as S/ Perez, Jorge Luis - DOB: 07/04/1989) loitering bouts in front of the Metro Red Lines / Hollywood-Highland Station. As he was standing near the elevator, I saw he had in his backpack an aluminum can of an unknown type manufacturer brand. Due to Perez' history of numerous alcoholic related arrest, we decided to respond to the BID Office to monitor Perez' activity, via closed circuit television cameras.

While at the BID Office conducting a camera surveillance (camera #129 - Highland Avenue) of Perez' activity. I saw walk over to the Hollywood and Highland (N/E corner) bus stop. I later saw what appeared to be a Blue / Silver aluminum can on top of the public telephone housing adjacent to where Perez' was standing. Perez then turned his head from left and right, to avoid being detected by the authorities, and picked up the aluminum can that had the clear markings that read, "Bud-Light," a known alcoholic beverage brand.

Perez raised the aluminum container and placed it to his lips/ and mouth area. Perez then tilt his head back and took a long drink. After Perez was finished drinking from the container, he then placed it back on top of the public

telephone housing.

My partner and I decided to make contact with Perez to verify if the aluminum can was indeed an alcoholic beverage. As we approached Perez, I was able to smell a strong odor of an alcoholic beverage emitting from Perez' breath, person, and aluminum can. I then recovered the aluminum can from the ledge and saw it was a "Bud-Light" Brand Beer (25 Fl. Oz. / 4.2 ABV) that was  $\frac{3}{4}$  full and cold to the touch.
